

# Old Bread Donuts

Printed from Donut Recipes at <http://www.donutrecipes.co.uk/>

*This simple recipe uses old bread slices - helping you make something really delicious out of something really rather plain and boring. Fill with jam, chocolate or custard - whatever you prefer.*

## Ingredients:

10 slices white bread  
125g plain flour  
125ml milk  
4 tbsp. sugar  
3 eggs  
1 tsp. vanilla extract  
1/2 tsp. baking powder  
Pinch of salt  
Jam or chocolate spread to fill donuts  
Sugar to roll  
Oil to fry

## Directions:

1. Whisk together the eggs, milk, vanilla extract and sugar until smooth and the sugar has dissolved. Mix the flour with the baking powder and salt and then whisk this in.
2. Make 5 sandwiches using the bread and the jam or spread. Cut the sandwiches into quarters.
3. Remove the crusts and then dip each sandwich quarter into the batter.
4. Fry each donut in hot oil for a few minutes on each side or until golden brown and puffy. Drain on kitchen paper and then sprinkle with sugar.
